

Based on the given table , I can fill in the entities masked by [ ENT ] in the sentence . The sentence is : [ ENT ] was the only team to not take 6 hour to complete the event . Since the table lists the times for each team , I can determine which team completed the event in less than 6 hours . According to the table , the team that completed the event in less than 6 hours is Poland , with a time of 5 : 51 . 29 . So , the completed sentence is : Poland was the only team to not take 6 hours to complete the event .
