

Based on the table , we can fill in the masked entities in the sentence as follows : - The play from [ ENT ] is before the play from [ ENT ]. Since there are multiple entities of the same type ( e .g ., " The Birds ", " Med ea ", " Ajax ", " Ant ig one " ), we will choose the first one we encounter .

The sentence would be : The play from Elect ra is before the play from Pl ut us . So the completed sentence is : The play from Elect ra is before the play from Pl ut us .
