

Based on the table provided , the sentence "[ENT] had [ENT] more points than [ENT] overall " can be filled in as follows : " Olympique de Marseille (D 1) had 3 more points than FC Nantes (D 1) overall ." Here's the reasoning : - The table shows that Olympique de Marseille (D 1) scored 3 points in the 2 nd round , while FC Nantes (D 1) scored 2 points in the 2 nd round . - Therefore , Olympique de Marseille (D 1) had 1 more point than FC Nantes (D 1) overall .
