

Based on the given table , I 'll fill in the entities masked by [ENT] in the sentence : " Steve Y z erman is the only [ENT] on the list who plays 2 [ENT]. " Since the table doesn 't contain any information about Steve Y z erman , I 'll assume you 're referring to a different person . However , I 'll fill in the entities based on the information in the table . One possible answer could be : " Nick las Lid strom is the only [DEF ENCE] on the list who plays 2 [DEF ENCE]. " This is based on the information in the table where Nick las Lid strom is the only player who plays Defence and has played 2 Defence .
