

Based on the given table , the masked entities are [ENT] in the sentence : the play from [ENT] is before the play from [ENT]. To fill in the masked entities , we need to find the plays from the table that match the entities . The entities are [ENT] in the sentence , so we need to find the plays that are mentioned in the sentence . The sentence is : the play from [ENT] is before the play from [ENT]. The sentence mentions " the play from [ENT]" twice , so we need to find two plays . The first play is from the line : " the birds " , which is from Aristophanes . The second play is from the line : " the persians " , which is from Aeschylus . The sentence with the masked entities filled in is : the play from ' the birds ' is before the play from ' the persians ' .
