

The table provided is for the Iowa Corn Cy-Hawk Series, which is a series of sporting events between Iowa State University and the University of Iowa. The table lists the dates, sites, sports, winning teams, and the series score for each event. To fill in the masked entities in the sentence "[ENT] is the [ENT] with the earliest date in [ENT]", we need to find the event with the earliest date in the table. The earliest date in the table is "September 4, 2007". The corresponding event is a men's golf match held in Cedar Rapids, with Iowa State winning the series 2 - 0. So, the filled-in sentence is: "Men's golf is the sport with the earliest date in the Iowa Corn Cy-Hawk Series."
