

Based on the given table , I will fill in the entities masked by [ ENT ] in the sentence . The sentence is : [ ENT ] was released globally on [ ENT ] 4 year after its original release . The entities masked by [ ENT ] are ' title ' and ' date ' . From the table , we can see that the title of the album ' black ice ' is ' black ice ( album ) ' . The date of the global release is ' 19 november 2012 ' for the ' global ( it unes ) ' entry in the table . So , the sentence with filled in masked entities is : " black ice ( album ) was released globally on 19 november 2012 4 year after its original release . "
