Based on the table provided, the sentence "[ENT] [ENT] recorded 13500 more [ENT] participant than that of the [ENT] [ENT]" can be filled in as follows: " Essendon recorded 13500 more participant than that of the Geelong Geelong."

Here's the breakdown: - [ENT] = Essendon (home team with the highest crowd) - [ENT] = 27500 (crowd for Essendon) - [ENT] = participant - [ENT] = Geelong (away team for Essendon) - [ENT] = Geelong (to maintain consistency with the first mention of the team)
