Based on the table provided, the sentence " 4 [ ENT ] drove [ ENT ] in the 1920's and [ ENT ] ' s " can be filled in as follows : " 4 ** Tazio Nuvolari ** drove ** Bugatti ** in the 1920's and ** Tazio Nuvolari ** ' s ." Here 's the reasoning : - The table shows that Tazio Nuvolari won the Tripoli Grand Prix in 1928 driving a Bugatti . - Since the sentence mentions the 1920's , I 've chosen the earliest available data from that decade , which is 1928 . - The sentence implies that the driver and the constructor are the same , so I 've used Tazio Nuvolari and Bugatti for both [ ENT ] slots .
