Based on the table provided, the sentence "[ENT] was the only [ENT] not affiliated with [ENT] to win a race" can be filled in as follows: "Damon Hill was the only Williams-Renault driver not affiliated with Benetton-Renault to win a race." Here's the reasoning: - Damon Hill was the winning driver for Williams-Renault in several races where he was not affiliated with Benetton-Renault. - No other driver from Williams-Renault won a race in the 1995 Formula One season. - Therefore, Damon Hill was the only Williams-Renault driver not affiliated with Benetton-Renault to win a race.
