Based on the table provided, the sentence "[ENT] is the only [ENT] to visit the [ENT]" can be filled in as follows: "Michael Wood is the only narrator to visit the Athens to Olympia journey." Here's the breakdown: - [ENT] (first occurrence) is replaced with " Michael Wood " from the " narrator " column in row 3. - [ENT] (second occurrence) is replaced with " narrator " for consistency. - [ENT] (third occurrence) is replaced with " Athens to Olympia " from the " details of journey " column in row 3.
